*To all my patients*

This letter is to let you know, that, after much thought during my recovery from a double knee replacement, I have made the momentous decision to retire.

I first started General Practice in Narrabeen in 1976, and, now with my 70th birthday looming, the time has come to say goodbye.

My long-term colleagues, Dr. Richard Boyle, Dr. Sue Daly, Dr. Michal Forfa and Dr. Ross Goldberg have all your records and will be able to continue excellent ongoing care without missing a beat. (As the Newport Medical Centre is not a bulk-billing practice, the doctors do not bulk bill but will see pensioners at a reduced rate).

*Kindest regards and  
best wishes*

*Dr. Judith Rogley*
